GENERAL ENGLISH (0102051)

Platform English College aims to help students develop knowledge, skills and fluency in English. Our teachers use dynamic teaching methods, and engaging materials, to create a stress-free learning environment where students are encouraged to participate in interactive class activities.

Platform English College (PEC) is a Sydney-based school specialised in offering ELICOS (English Courses for International Students). We are nationally-recognised and accredited to offer General English program under 6 levels of English proficiency: Starter, Elementary, Pre-Intermediate, Intermediate, Upper-Intermediate, and Advanced. We take pride in our full commitment to provide learners with quality course materials, relevant student resources and a relaxed, but supportive learning environment, where students improve their English language skills and performance through interaction.

LEVEL 1
STARTER

This level is for the learners who can understand and use only very basic phrases and familiar everyday expressions. Such students can interact in a simple way provided the other person talks slowly and clearly and is prepared to help.

LEVEL 2
ELEMENTARY

This level is for the students who can understand frequently used expressions related to areas of most immediate relevance. Such students can communicate in simple and routine tasks requiring a simple and direct exchange of information on familiar and routine matters.

LEVEL 3
PRE-INTERMEDIATE

This level is for the students who can understand well in conversational transactions on familiar topics. These students can effectively deal with most situations likely to arise whilst travelling in an area where the language is spoken. Can produce simple connected text on topics which are familiar or of personal interest.

LEVEL 4
INTERMEDIATE

Designed to help Students develop their intermediate English language skills so that they can begin experimenting with speaking, reading, writing, and listening. Intermediate students can understand the main points of clear standard input on familiar matters regularly encountered in work, school, leisure, etc and can effectively deal with most situations likely to arise whilst travelling in an area where the language is spoken.

LEVEL 5
UPPER-INTERMEDIATE

This level is designed to help Intermediate English Course Level students develop their intermediate English language skills so that they can begin experimenting with speaking, reading, writing, and listening. These students can understand the main ideas of complex texts on both concrete and abstract topics, including technical discussions in their field of specialisation.

LEVEL 6
ADVANCED

This level is focused on developing the student's fluency and accuracy abilities, and to helping them reach a level of competence that will allow them to interact with a variety of more challenging, sophisticated current topics. Students can understand a wide range of demanding, longer texts, and recognise implicit meaning. They can express themselves fluently and spontaneously without much obvious searching for expressions.
